The challenges of remote work with Don Craig

When Don Craig joined Haley & Aldrich as Chief Financial Officer in June 2020, he had to adapt to changing jobs in the middle of a pandemic. Was he courageous or crazy? Don spoke to Peter Margaritis on the latter's podcast, Change Your Mindset, to talk through the challenges of joining a team while completely remote and how his team and the organization adapted. He also speaks to adapting your hiring, managing, and workflow processes while working virtually.

Listen to their conversation:
