

Barre-

Advising clients in New England and nationally.-

We offer engineering and environmental consulting in collaboration with teams across the country.-

Our Barre consultants advise government agencies, private and institutional clients, and other organizations on environmental and geotechnical needs, particularly [transportation](#) and [infrastructure](#)

projects. Our services include:-

- [Brownfields](#)
- [Construction](#)
- [Contaminated site management](#)
- [Disaster and climate resilience services](#)
- [EHS compliance](#)
- [Sustainability](#)
- [Geotechnical engineering](#)
- [Lean consulting](#)
- [Water resources](#)

From Barre, Vermont, and New England, we work with colleagues across the country to provide forward-thinking solutions that help clients meet regulatory requirements, maintain their reputation, and access cost-effective solutions.–
