

Barre-

Advising clients in New England and nationally.-

We offer engineering and environmental consulting in collaboration with teams across the country.-

Our Barre consultants advise government agencies, private and institutional clients, and other organizations on environmental and geotechnical needs, particularly <u>transportation</u> and <u>infrastructure</u>

projects. Our services include:-

- Brownfields
- Construction
- Contaminated site management
- Disaster and climate resilience services
- EHS compliance
- Sustainability
- Geotechnical engineering
- Lean consulting
- Water resources

From Barre, Vermont, and New England, we work with colleagues across the country to provide forward-thinking solutions that help clients meet regulatory requirements, maintain their reputation, and access cost-effective solutions.—
