Greenville

Haley & Aldrich’s hub for South Carolina clients.

Clients rely on our geotechnical engineering and environmental consulting.

Located near downtown Greenville, the professionals in this Haley & Aldrich office partner with our teams around the country to advise on:

- Brownfields
- Construction
- Contaminated site management
- Disaster and climate resilience services
- EHS compliance
- Sustainability
- Geotechnical engineering
- Lean consulting
- Water resources

Among many other projects we've collaborated on in the area, our Greenville team helped Central Electric Power Cooperative install power cables underneath protected wetlands and historic trees using horizontal drilling tech so that it could guard against power outages.
