

# Hartford

A Haley & Aldrich hub for Northeast clients.

## Offering geotechnical engineering and environmental consulting from Hartford in collaboration with teams across the country.

HALEY ALDRICH

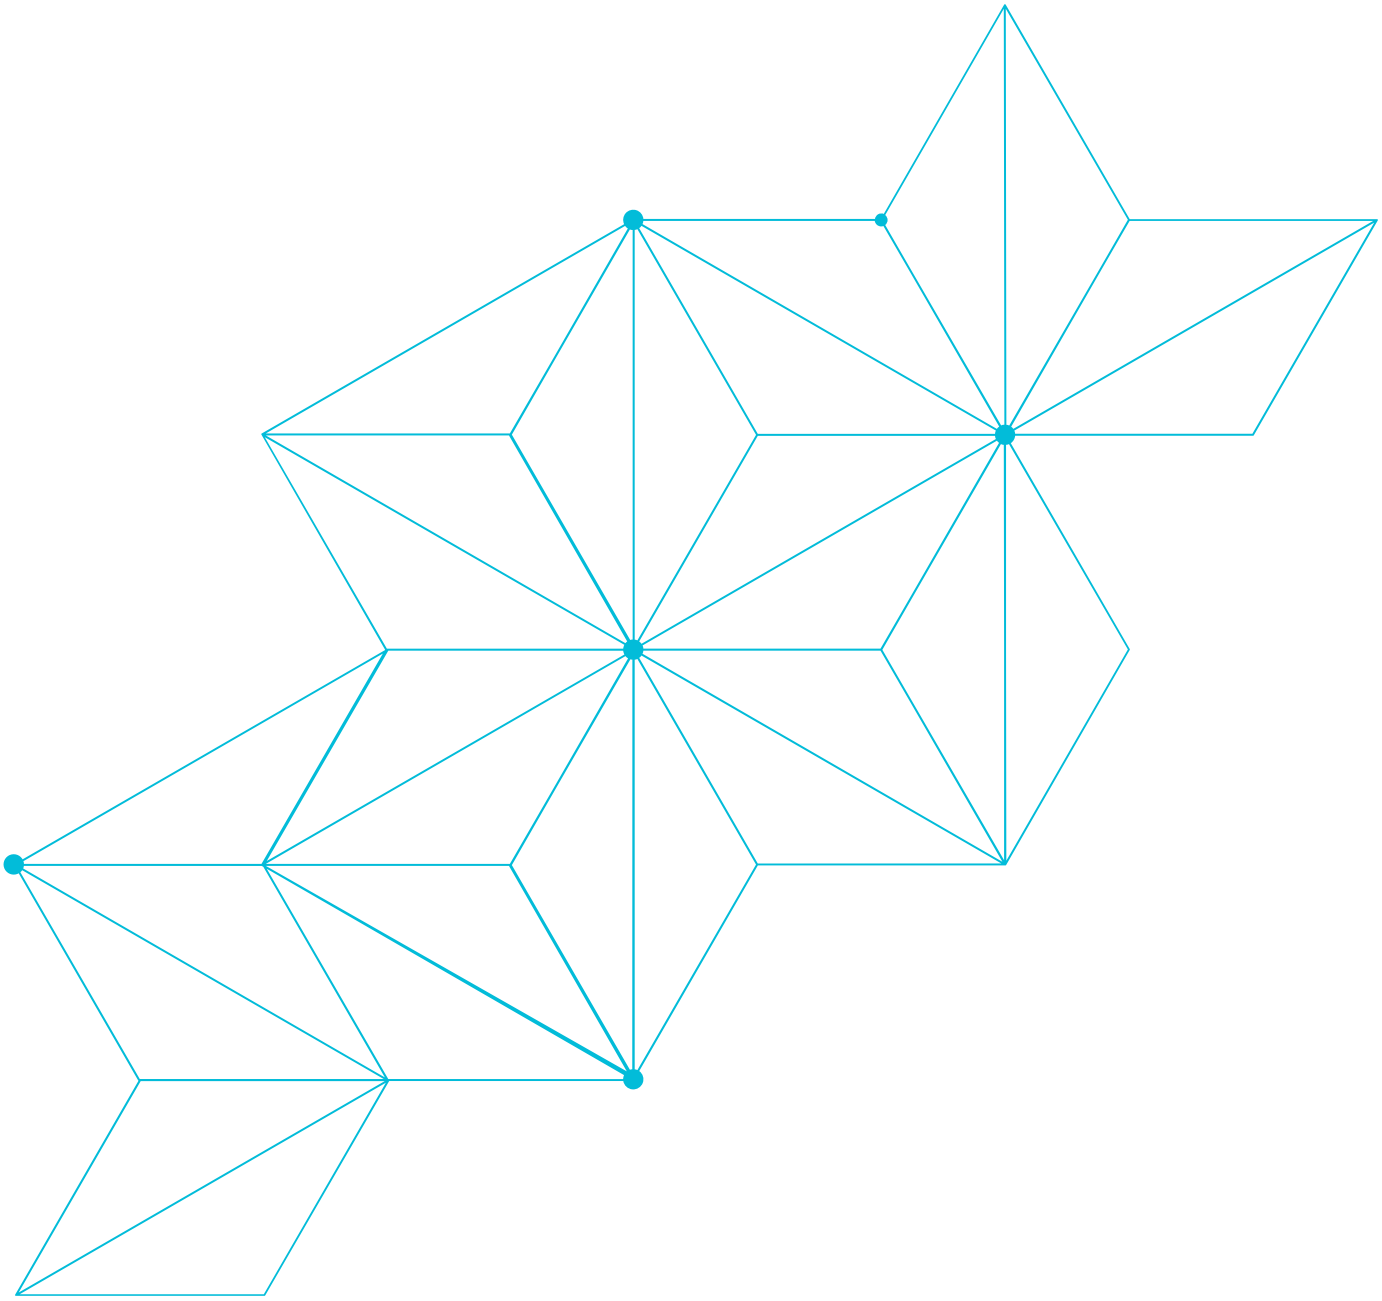

Consultants in our Hartford office partner with colleagues everywhere to tackle clients' toughest challenges. Among other areas, our professionals focus on:

- Brownfields
- Construction
- Contaminated site management
- Disaster and climate resilience services
- EHS compliance
- Sustainability
- Geotechnical engineering
- Lean consulting
- Water resources

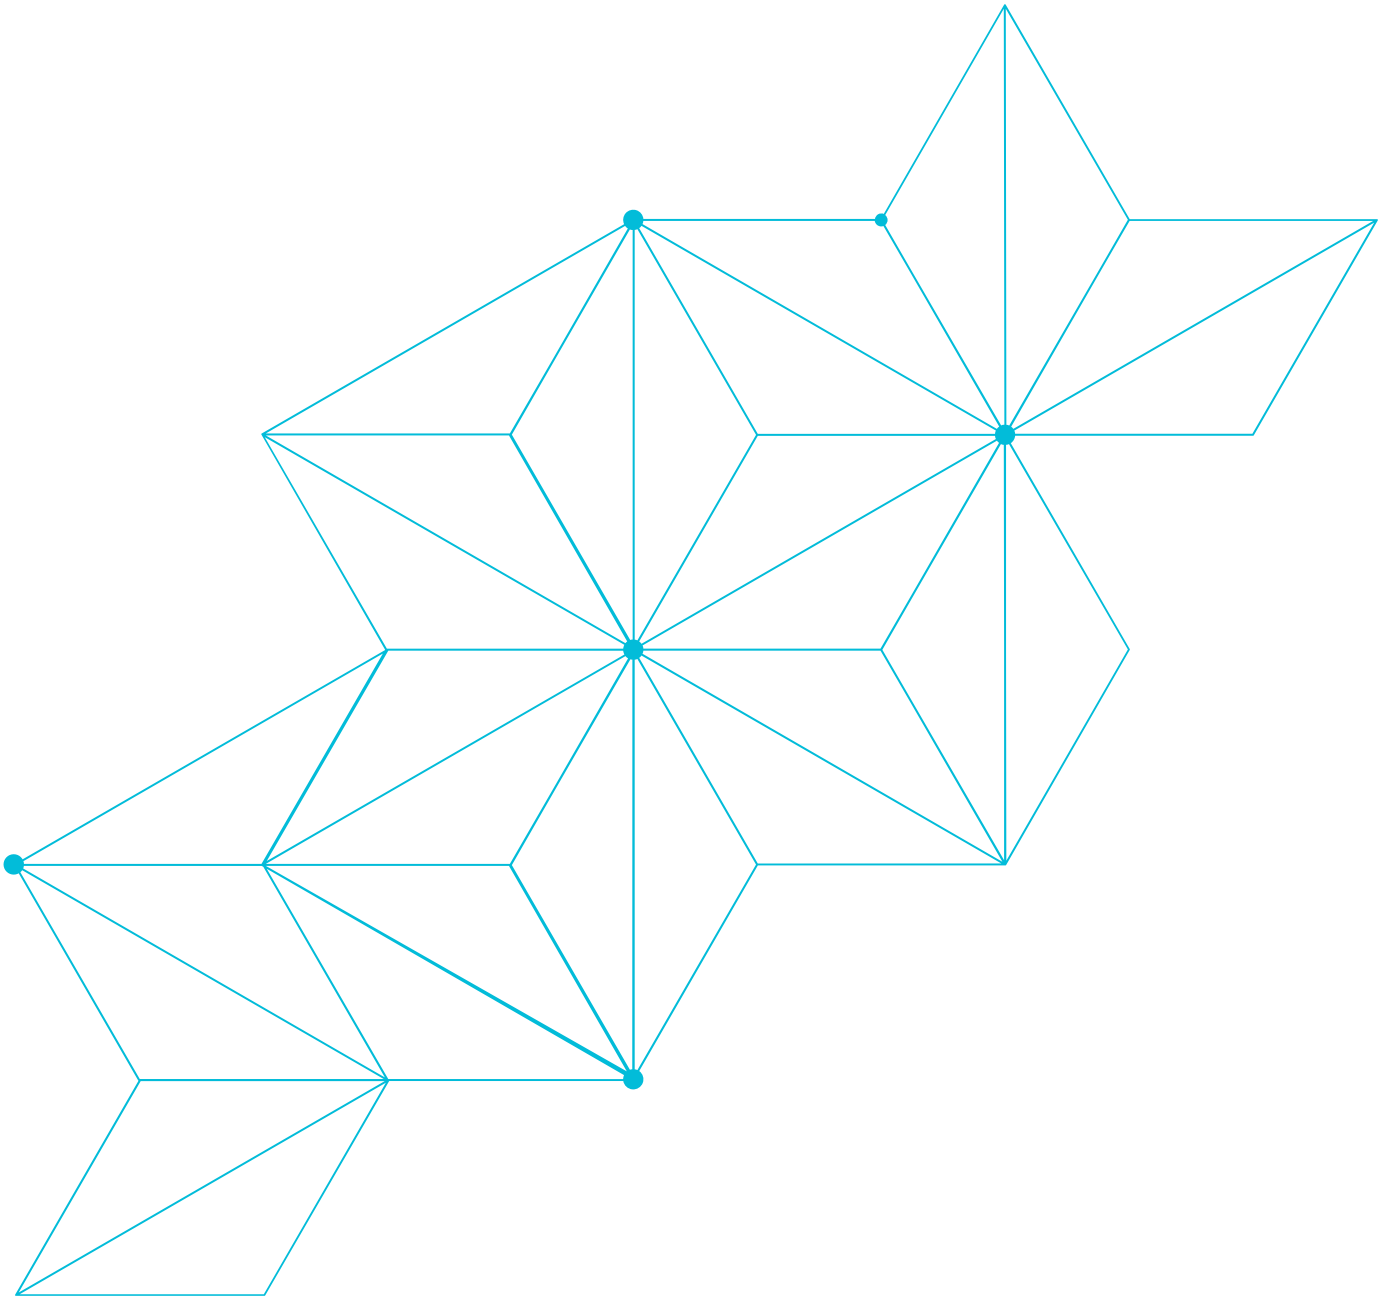

We're proud to provide crucial services to clients throughout the state. For example, we partnered with a Connecticut public works department to shore up an aging sewer infrastructure.
