

Helena

A Montana hub for Haley & Aldrich clients.

Clients rely on our remediation and mining industry services.

From Helena, Montana, our consultants partner with staff throughout the state, region, and country to deliver <u>remediation services</u> for sites impacted by historic <u>mining</u> and <u>industrial</u> practices. Their expertise includes:

- Brownfields
- Construction
- Contaminated site management
- Disaster and climate resilience services
- EHS compliance
- Sustainability
- · Geotechnical engineering
- Lean consulting
- Water resources

As our teams do around the country, our Helena consultants focus on forward-thinking solutions that help clients meet regulatory requirements, maintain their reputation, and access cost-effective remediation.
