## Offering engineering and environmental consulting from New Hampshire in collaboration with teams across the country.

HALEY ALDRICH

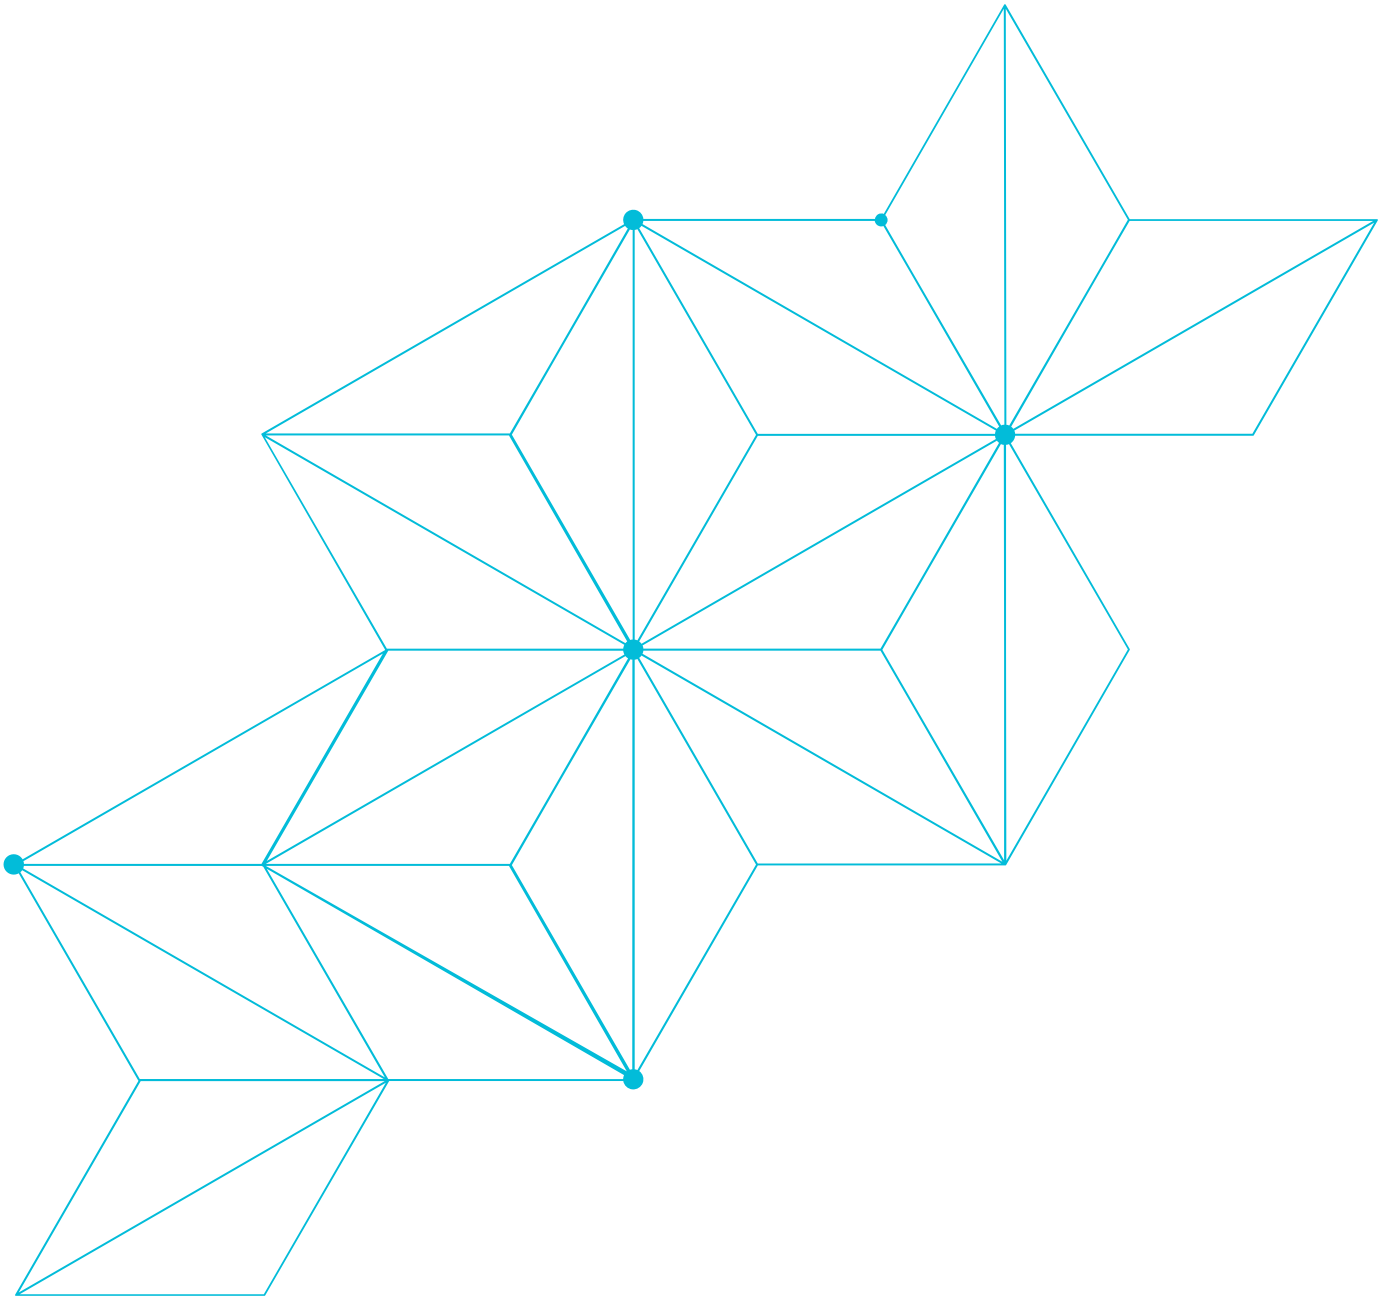

From the Haley & Aldrich office in Manchester, New Hampshire, near the Merrimack River, our consultants guide projects that involve a full range of engineering and environmental services, including:

- Brownfields
- Construction
- Contaminated site management
- Disaster and climate resilience services
- EHS compliance
- Sustainability
- Geotechnical engineering
- Lean consulting
- Water resources

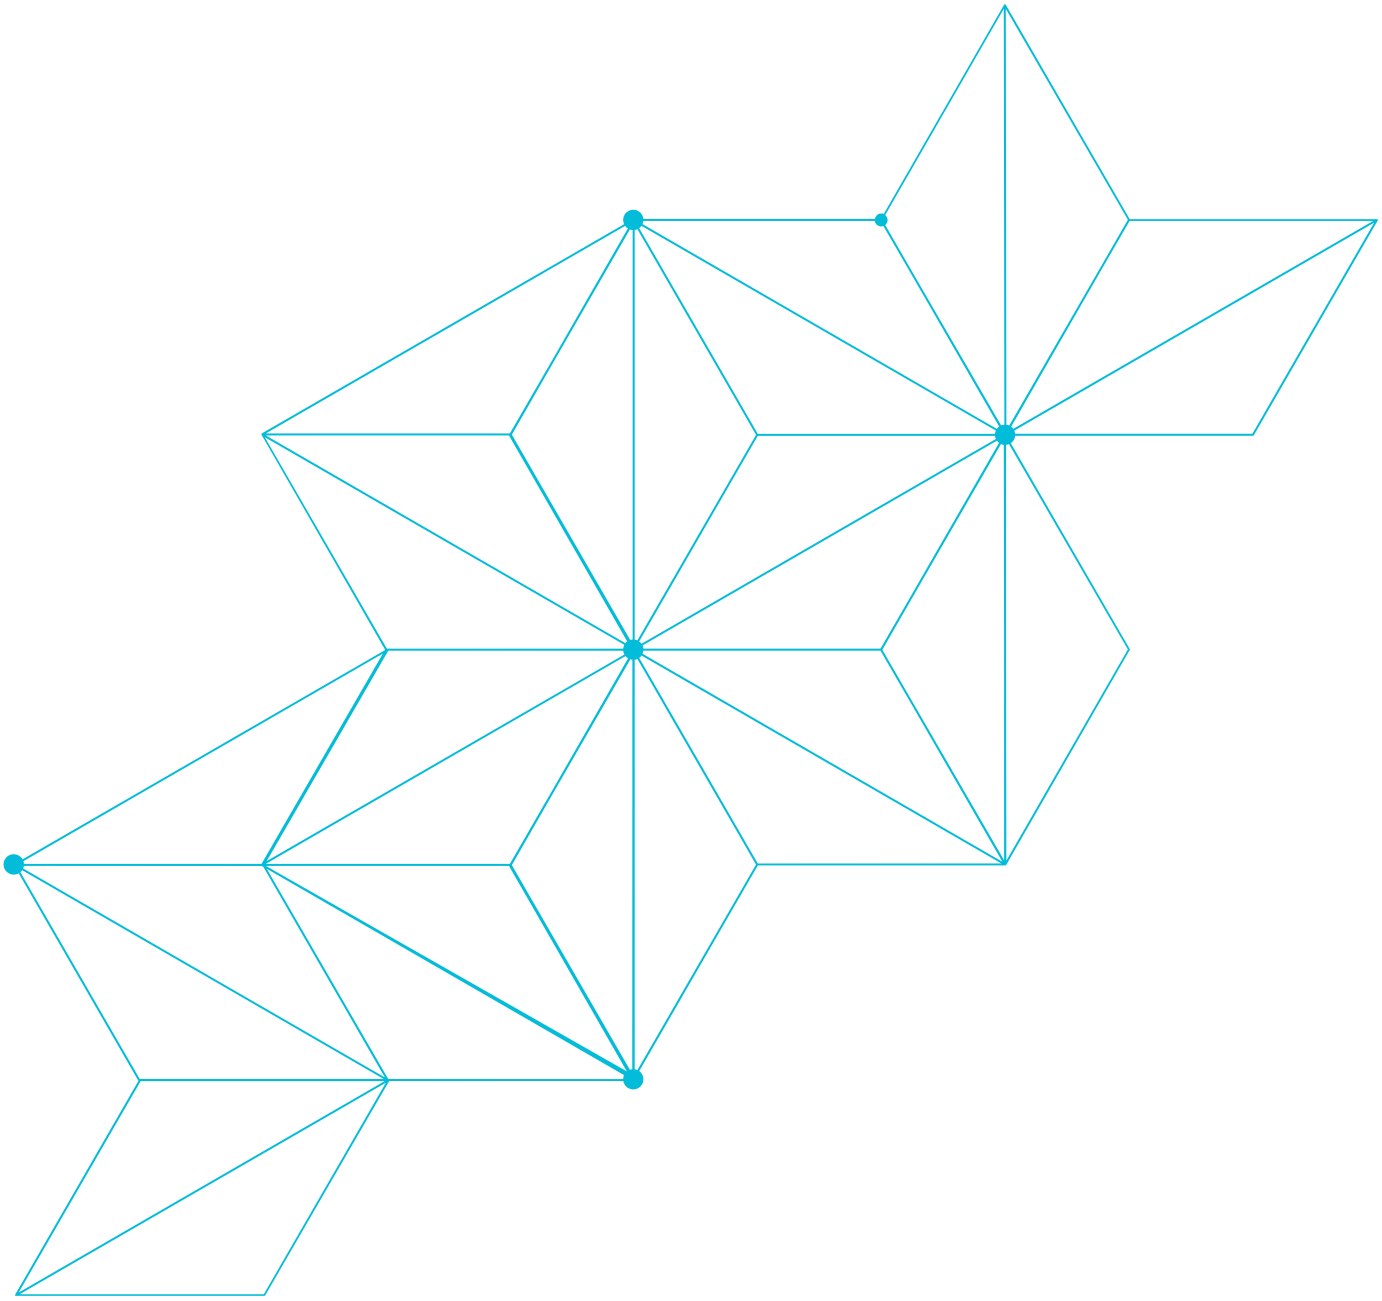

Our Manchester office is an important node in our network throughout New England, where we've contributed to projects that range from transportation infrastructure to brownfield remediation to climate change resilience planning.
