

Maui

Advising clients in Maui and nationally.

Clients rely on our geotechnical engineering and environmental consulting.

Our Maui office is located in Makawao, in the heart of upcountry, where our engineering and other experts advise on services that include:

- [Brownfields](#)
- [Construction](#)
- [Contaminated site management](#)
- [Disaster and climate resilience services](#)
- [EHS compliance](#)
- [Sustainability](#)
- [Geotechnical engineering](#)
- [Lean consulting](#)
- [Water resources](#)

In addition to many other projects in Hawaii, we've developed a long partnership with the County of Maui and built a comprehensive [stormwater management program](#) to support the local community and safeguard the environment.
