

Portland, Oregon

Bringing value to clients in the Pacific Northwest and beyond.

Offering engineering and environmental consulting from Oregon in collaboration with teams across the country.

HALEY ALDRICH

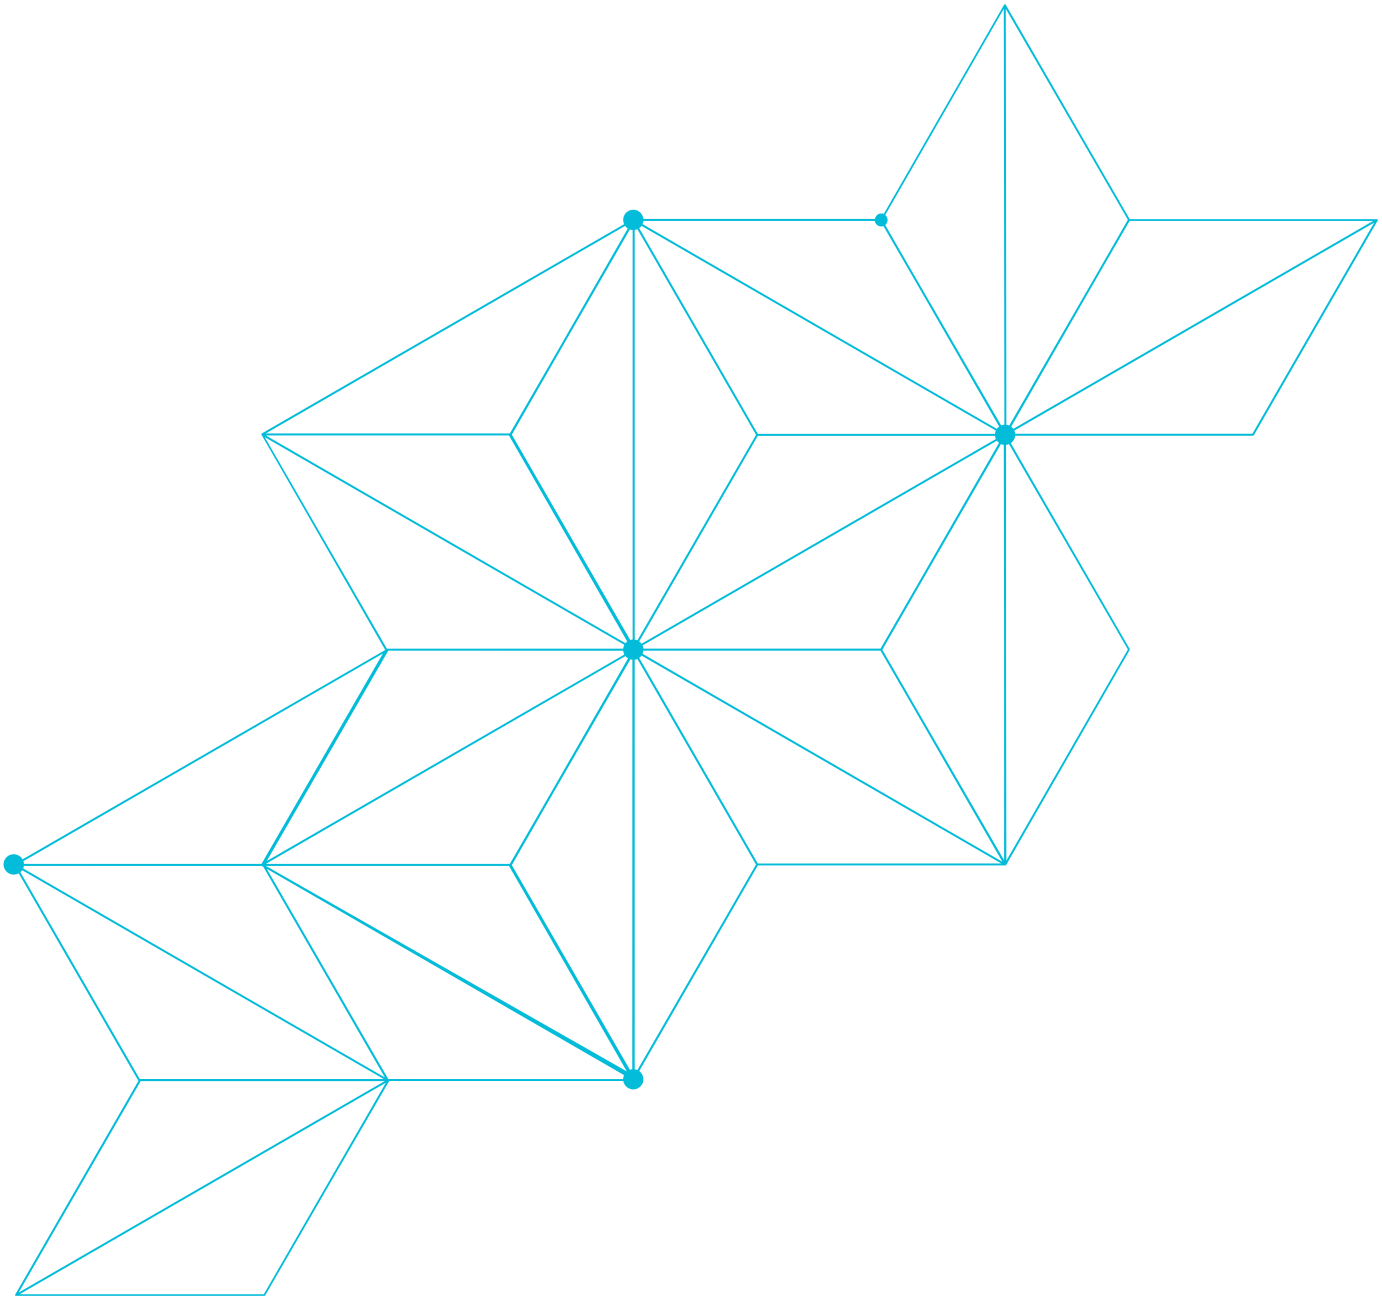

Our Portland, Oregon, office sits alongside the stunning Willamette River south of the city center. We offer services that include:

- Brownfields
- Construction
- Contaminated site management
- Disaster and climate resilience services
- EHS compliance
- Sustainability
- Geotechnical engineering
- Lean consulting
- Water resources

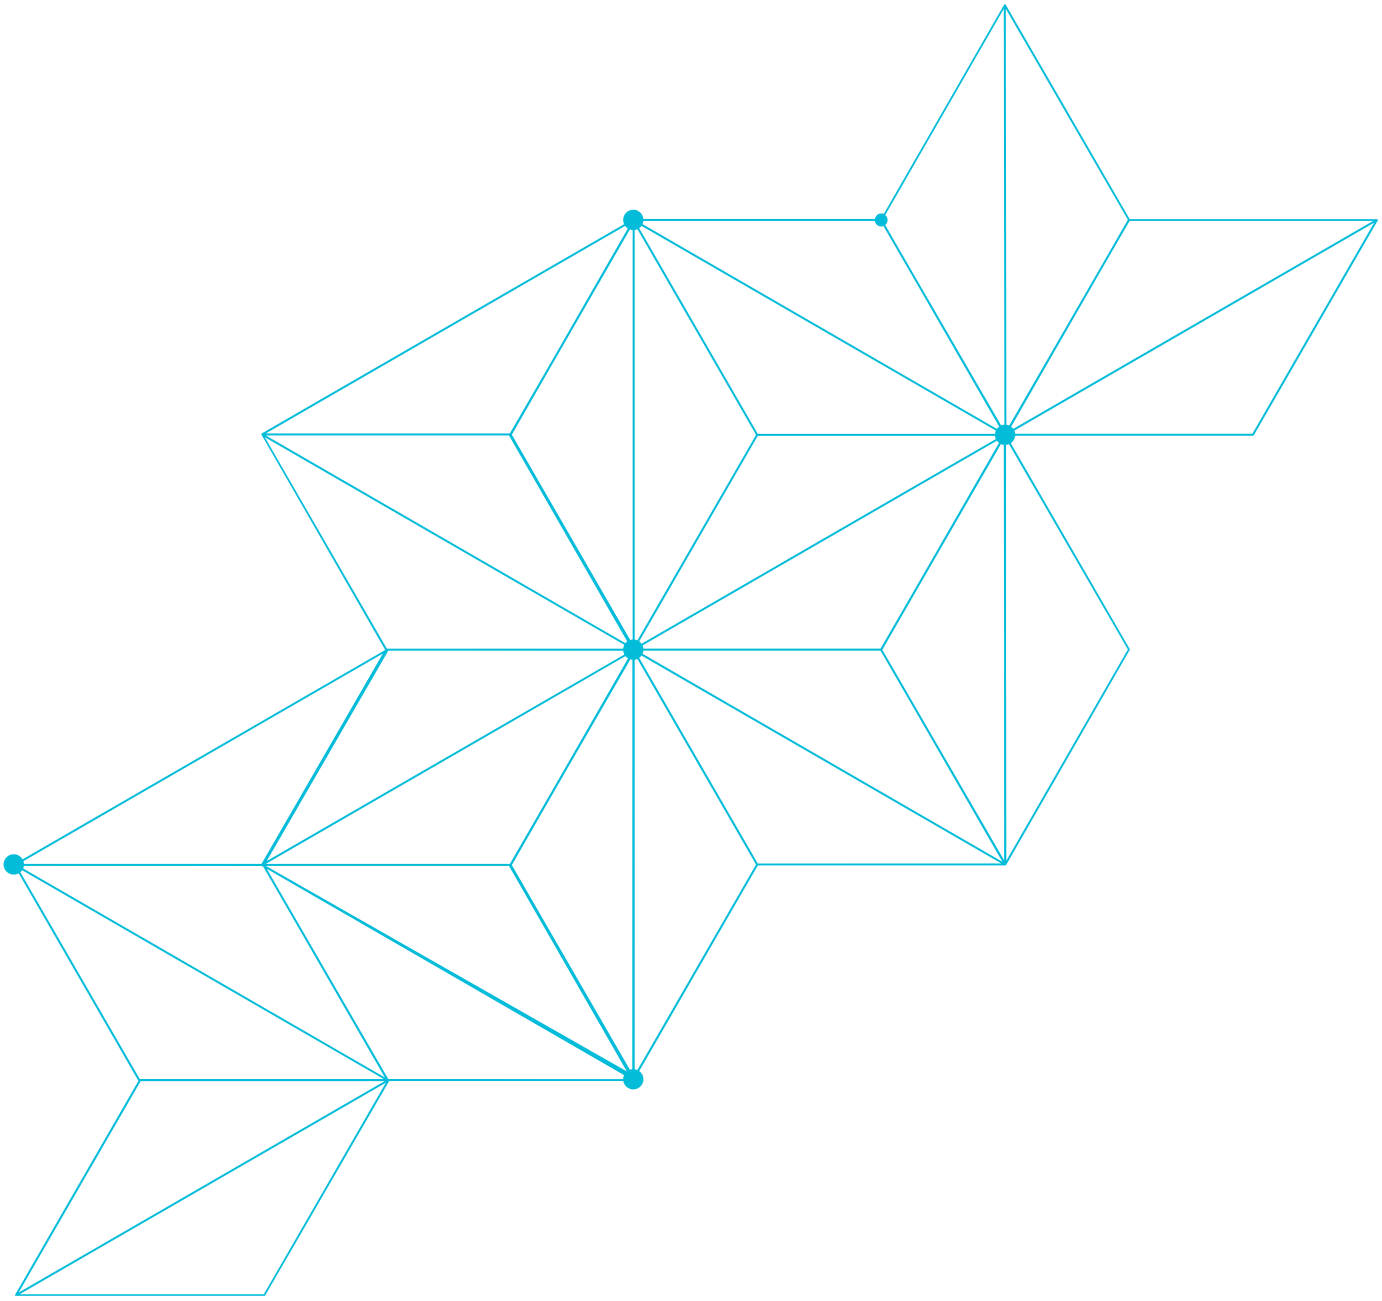

In addition to many other projects in the area, we helped the Regional Disaster Preparedness Organization create a metro region plan for more resilient emergency transportation routes.
