

White Plains

Advising clients in New York and nationally.

Clients rely on our geotechnical engineering and environmental consulting.

From the commercial heart of Westchester County, Haley & Aldrich's White Plains consultants partner with experts around the country to serve clients on a range of challenging projects. Our areas of focus include:-

- [Brownfields](#)
- [Construction](#)
- [Contaminated site management](#)
- [Disaster and climate resilience services](#)
- [EHS compliance](#)
- [Sustainability](#)
- [Geotechnical engineering](#)
- [Lean consulting](#)
- [Water resources](#)

Haley & Aldrich has left its mark on the greater New York City metropolitan area with a combination of technical expertise in challenging subsurface conditions, innovative solutions for complex urban sites, environmental stewardship, and a collaborative approach with both government and private clients.
