Haley & Aldrich raises \$46,000 to benefit Boston Children's Hospital and Brigham and Women's Hospital

Boston, Mass., June 28, 2018 – Haley & Aldrich announced today hosted its eighth annual Charity Golf Tournament on June 22, 2018, at the Red Tail Golf Course in Devens, Mass. The sold-out event generated \$46,000 to benefit Boston Children's Hospital and Brigham and Women's Hospital, long-standing Haley & Aldrich clients. After eight years of hosting the golf tournament, Haley & Aldrich has helped raise over a quarter million dollars for Boston Children's Hospital and members of the Partners HealthCare System.

144 golfers from 38 Boston-area companies supporting real estate development, architecture, engineering, and construction participated in the sold-out tournament. Sponsoring companies included two Diamond Sponsors, [Alpha Analytical](#) and [Commercial Construction Consulting](#); nine Platinum Sponsors, [A.A. Will Corporation](#), [East Coast Slurry](#), [Eastern Bank](#), [J.F. White Contracting Co.](#), [James W. Flett Company](#), [New England Foundation Company](#), [TREVICOS](#), [Walsh Brothers](#), and [W. L. French Excavating Corporation](#); and five Gold Sponsors, including [GeoLogic](#), [Hayward Baker](#), [Helical Drilling](#), [Pace Analytical Services](#), and [Seaboard Drilling](#).

"We are grateful to have such a generous and committed community of partners and clients who help make this

tournament a success year in and year out,” said Mark Haley, Principal at Haley & Aldrich. “It’s a privilege to make this donation on their behalf and support the missions of Boston Children’s Hospital and Brigham and Women’s Hospital.”

Haley & Aldrich has worked with Boston Children’s Hospital for over 50 years, helping them design and build facilities to serve the health needs of children. Haley & Aldrich’s recent work with Boston Children’s Hospital includes the Longwood Avenue Bridge and Garage Addition, the Hale Family Clinical Building, and supporting planning and schematic design for future projects.

Haley & Aldrich has worked with Brigham and Women’s Hospital’s parent company, Partners HealthCare System, for over 30 years with projects for many Partners institutions including Brigham and Women’s Hospital, Spaulding Rehabilitation Hospital, and Massachusetts General Hospital. Haley & Aldrich recently worked on the new Brigham and Women’s Hale Building for Transformative Medicine located in Boston and their new medical office building in Westwood.
