Haley & Aldrich raises \$52,000 to benefit Boston Children's Hospital and Spaulding Rehabilitation Network

Burlington, Mass., Nov. 30, 2021 – Haley & Aldrich hosted its eleventh annual Charity Golf Tournament on October 15, 2021, at the Red Tail Golf Course in Devens, Massachusetts. The sold-out event generated \$52,000 to benefit Boston Children's Hospital and Spaulding Rehabilitation Network, long-standing Haley & Aldrich clients. After 11 years of hosting the golf tournament, Haley & Aldrich has helped raise over \$415,000 for Boston Children's Hospital and members of Mass General Brigham.

144 golfers from 36 Boston-area companies supporting real estate development, architecture, engineering, and construction participated in the sold-out tournament. Sponsoring companies included four Diamond Sponsors, [Alpha Analytical](#), [Commercial Construction Consulting](#), [James W. Flett Company](#), and [W. L. French Excavating Co.](#); 10 Platinum Sponsors, [A.A. Will Corporation](#), [Boston Global Investors](#), [East Coast Slurry Company](#), [Eastern Bank](#), [Keller](#), [New England Boring Contractors](#)

, [Northern Drill Service](#), [Suffolk Construction](#), [TREVILCOS](#), and [Turner Construction Company](#); and five Gold Sponsors, [Charter Contracting Company](#), [Helical Drilling](#), [Hub Foundation](#), [R.W. Sullivan Engineering](#), and [U.S. Environmental Rental Corp.](#)

“We were thrilled to be back together in person to support the missions of Boston Children’s Hospital and Spaulding Rehabilitation Network, two world-class institutions on the leading-edge of healthcare innovation,” said [Lizetta Fennessy](#), P.E., Senior Vice President and General Manager of Haley & Aldrich’s Buildings & Infrastructure Business Unit. “We greatly appreciate our generous network of partners and clients that help make this tournament a success.”

Haley & Aldrich has worked with Boston Children’s Hospital for over 50 years, helping them design and build facilities to serve the health needs of children. Haley & Aldrich’s recent work with Boston Children’s Hospital includes the Longwood Avenue Bridge and Garage Addition, the Hale Family Clinical Building, and support for the planning and schematic design of future projects.

Haley & Aldrich has worked with Brigham and Women’s Hospital’s parent company, Mass General Brigham, for over 30 years on projects for many member institutions including Brigham and Women’s Hospital, Newton-Wellesley Hospital, Spaulding Rehabilitation Hospital, and Massachusetts General Hospital. Haley & Aldrich worked on the Spaulding Rehabilitation Hospital in the Charlestown Navy Yard, and more recently on the Brigham and Women’s Stoneman Garage, as well as many suburban outpatient clinics.

Next year’s tournament is scheduled for June 2022.
