Client Spotlight: Rich Rago, Haley & Aldrich, Inc.

Land Science, a division of Regenesys, featured [Rich Rago](#), Technical Expert at Haley & Aldrich, in its September 2021 Client Spotlight. The article covers Rich's highly specialized career over more than 30 years and reviews his time with Haley & Aldrich. The article also highlights his innovative work for commercial clinical and environmental laboratories in the mid-1980s, lectures for Princeton Groundwater's renowned environmental courses, and how he views the industry's current and future landscape.
