Communicating EHS&S risk to the c-suite: Three takeaways from the forum

In an NAEM blog, Communicating EHS&S Risk to the C-Suite: Three Takeaways From the Forum, Haley & Aldrich Technical Expert and EHS Service Leader Denny Lerch reflects on key learnings from the session he moderated at NAEM's EHS & Sustainability Forum.

In particular, Lerch focuses on the importance of maintaining relationships with stakeholders regardless of their job titles, thinking with a sales mindset, and finding the right roles for each member of your team.
