New faces in Geo-Institute: Wystan Carswell

Wystan Carswell, Ph.D., P.E., M.ASCE, is a licensed professional engineer in Haley & Aldrich's Boston office. She talked with GEOSTRATA about her experiences abroad, in academia, and in industry, and how these opportunities have enriched her professional career. Wystan also discusses the role of gender in civil engineering, the importance of professional mentorship, and the value of creating a culture of professionalism and diversity. -
